Dear Colleague,

Thank you for your interest in working at Thamesmead School, you will be part of a highly successful Humanities team. This is a temporary, part time role (2 or 3 days per week) to cover maternity leave, however there may be opportunities for a contract extension or other roles within the school. The ideal candidate would be able to demonstrate good knowledge of History and the ability to contribute to another curriculum area would be advantageous e.g. PE.

Humanities is popular throughout the school and is a regular Key Stage 4 option. The successful individual will share our vision of achieving excellence and raising further the standards of teaching and learning. You will be a team player with a clear understanding of current and future curriculum developments. The post is suitable for an ECT or a more experienced colleague.

The school is situated to the West of London with good rail and road access. Our location means our staff enjoy living in areas such as West and South West London, Surrey and Berkshire making fantastic choices for city, suburban or rural living available.

Thamesmead is a vibrant and successful school. In 2019 our students gained strong GCSE results. 85% of students gained a 4 grade or higher in English and Maths and 58% of students achieved a grade 5 or higher in English and Maths. 83% achieved 5 GCSEs or more graded at 4 or above. "Pupils behave well, are co-operative and respectful towards their teachers and each other. Strong leadership aims to ensure that the school provides the best possible standards of teaching and learning."- Ofsted.

Thamesmead is a successful 11-16 school rated good by Ofsted in June 2017. We are a happy community of staff and students and you will see that if you wish to come and visit us as part of your application.

I joined the school as Headteacher in September 2017. I was impressed by the hardworking students, the calm atmosphere, and the friendly welcome that I received on my first visit and I can vouch for that being typical of the school now I have been Head for almost five years.

Our staff like the strong and supportive team ethos that exists amongst those who work here. They like that we have high expectations of behaviour and standards from our students, and that we support our staff to uphold these. They like the work we have done to try and ensure workload remains manageable such as our shorter day, collaborative planning practices and the high-quality assistance that is provided for teaching by our committed team of support staff.

Our school vision and values ensure the best education, support and outcomes for our students in this fast changing and demanding world. Our four shared goals are:

To:

- Commit to excellence
- Nurture individuals
- Fulfil potential
- Respect our community

To achieve these goals, we have seven Thamesmead values we encourage our students to aspire to:

- Aspiration
- Respect
- Independence
- Confidence
- Commitment
- Resilience
- Community

We are now working to embed these across our community as we continue to lead the school to further success. I hope that after reading all about us that you will want to apply to join our team and become a part of this journey.

I look forward to hearing from you in the near future.

Yours faithfully

Phil Reeves
